

BuyerID Advanced

Comprehensive ID Verification Solution

According to the FBI, identity theft is one of the nation's fastest growing crimes. And because auto dealers have become prime targets, it makes good sense to protect yourself, and your dealership, with BuyerID from CoreLogic Credco.

ID Verification & Fraud Prevention

BuyerID Advanced delivers a comprehensive, systematic ID verification solution that quickly searches, cross-checks and verifies the identity of your customers, providing the following information:

- ▶ *Critical ID elements not verified or matched*
- ▶ *Deceased or invalid SSNs*
- ▶ *SSNs issued prior to date of birth*
- ▶ *Records with both invalid addresses and telephone numbers*
- ▶ *Potential risk indicators and follow-up actions*

Thorough Applicant Verification

Simply enter your customer's name, current address, date of birth, drivers license number, and Social Security Number, and BuyerID Advanced will access multiple sources to deliver the most thorough applicant verification data available. Plus, BuyerID Advanced delivers a color-coded risk indicator so you can quickly and easily evaluate the relative risk level for your customer before you sell them a car.

Red Flag Rules

Proposed by federal banking agencies and the Federal Trade Commission, the Red Flags Rule require you to implement an identity theft prevention program. CoreLogic Credco provides a comprehensive Red Flag Solution that includes identity verification, OFAC Screening and credit reporting services to help you minimize fraud-related losses, and maintain compliance with the Red Flags Rule.
